Aged Auto Insurance Leads: What Are They?

You might just be surprised at how valuable, and inexpensive aged auto insurance leads areâ?¦

If youâ??re in the automotive industry, which, letâ??s face it if youâ??re reading this article, then you definitely are, then you know the importance of auto insurance leads.

Auto insurance leads and insurance companies go together like bread and butter â?? without leads, youâ??ll bring in no business. Duh!

And without business, well, you also wonâ??t be in business. Do you see what we did there?!

New ways to generate insurance leads

Finding new ways to generate aged auto insurance leads for your automotive business and insurance company allows you to generate more insurance sales, making you more money.

Often, many insurance and automotive businesses struggle to generate leads. Theyâ??re great at what they do, but finding new customers is the difficult part.

Well, worry no more â?? thatâ??s where we step in â?? but more on this in a bit.

This blog post will explain what these leads are, who theyâ??re for, where to get them, and more.

What are aged auto insurance leads?

An aged auto insurance lead is a lead that is not real-time. A real-time lead is a lead from there and then, whether thatâ??s someone clicking through a Facebook advert, visiting your front door (albeit a little creepy), ringing your office, or dropping you an email asking for a quote.

Aged leads are simply leads that are not real-time. This could be a potential lead that is a few days, weeks, or months old.

Often, many companies choose not to select these kinds of leads as theyâ??re â??old.â?• However, they can just as well convert as well as other leads are inexpensive, and provide your team with something to do. You know, like bring in more businessâ?¦

Who are they for?

Aged Auto insurance leads are for any automotive insurance business that is looking for new leads with less effort.

These leads are gathered for you â?? all youâ??ve got to do is ring, email, or follow up with your chosen method.

By saving time gathering leads, you can focus on converting hot leads into sales. And who doesnâ??t love closing? Donâ??t make us quote the wolf of wall street â?? we canâ??t go back afterward!

Benefits of these leads include:

- **Instant leads ready to follow-up**
- **Less work finding leads, and more work closing deals**
- **Inexpensive & valuable**
- **New leads are delivered directly to you (all unique)**
