# 5 Tips For How To Get Aged Medicare Leads

In the vast sea of insurance, charting a course toward Medicare can sometimes be daunting. However, for the ambitious insurance agent or astute broker, acquiring those pristine, quality leads is the compass for success. But whereâ??s the treasure map that leads to these prospects? Ahoy! Itâ??s the **aged Medicare leads**.

### What Exactly are Aged Medicare Leads?

When we say aged Medicare leads, weâ??re talking about potential customers whoâ??ve shown interest in Medicare supplements and insurance. However, they didnâ??t immediately sign on the dotted line. These arenâ??t cold leads; instead, think of them as leads that have been marinated and aged to perfection. Similar to fine wine, they can get better with time.

## 1â?¢ Understand the Magic Behind Aged Leads

- **Aged data leads** are those sparkling gems that showed interest previously, but perhaps the timing wasnâ??t right for them.
- Since theyâ??ve had a whiff of Medicare supplements already, these folks are already a step into the world youâ??re introducing.
- Economically, theyâ??re a boon! They often cost significantly less than fresh-off-the-boat leads but can pack the same punch, if not more.
